Motion by Jepsen/Johnson to approve minutes of the November 9 meeting; carried.

**Public comments:** None

**Invoice Review:** The committee reviewed and discussed the invoices for the past month.

**Election of Secretary:** Randy Korb was nominated as Secretary. Motion made (Brown/Johanson) to approve Randy Korb as Secretary. Motion carried unanimously.

**Invoice Review:** The committee reviewed and discussed the invoices for the past month.

**Budget Discussion:** Peterson gave an update as to the status of the budget. Some expenses were higher this year, but the overall budget is still correct. With the current trend of more lime being sold, discussion was held on possible employee addition.

**Discussion Ag Lime:** Due to increased demand this year for lime, inventories of lime are very low. Discussion held on possible use of a temporary crusher. Due to warm, dry fall, many are spreading lime now instead of spring.

**Update of Operations**

**Sales** – Discussion held on the financial feasibility study Peterson did on 60-69 lime versus 50-59. Because of the added expenses making 60-69 (and its slight margin of benefit over 50-59), discussion was held on the possibility of producing only 50-59 lime.

**Questions & Discussion**

Discussion held on the fluctuation of lime demand.

**Motion to adjourn (Brown /Jepsen) carried.** Meeting adjourned at 9:22 am.
