

Tri-County Wildlife Damage Program

Burnett, Polk and St. Croix Counties participate in the Tri-County Wildlife Damage Program, which provides technical assistance to landowners who are experiencing damage to crops from deer, geese, turkey or bear. Landowners may be provided the necessary technical and/or operational assistance in identifying, abating, controlling, and assessing damages to agricultural interests and financial compensation for damage to agricultural crops caused by deer, bear, goose and turkey. Program participants must meet numerous requirements. For general information visit the DNR Wildlife Damage link: <http://www.dnr.state.wi.us/org/land/wildlife/damage>.

WISCONSIN DEER DONATION PROGRAM

The Wisconsin Deer Donation Program is funded by Wisconsin's Wildlife Damage Program and hunter donations. Legally harvested deer can be dropped off at participating processors and the venison will be distributed to charitable organizations to help feed Wisconsin's needy. To obtain additional information, please visit the DNR website at: <http://dnr.wi.gov/org/land/wildlife/damage/donation/mainindex.htm>
