

2011 Poster Contest Winners

"Forests for People - More Than You Can Imagine" was the 2011 theme for the Conservation and Environmental Awareness Poster Contest. It is rewarding to see the ideas, thoughts, and artistic expression the young environmentalists put into their poster content.

Land & Water Resources congratulates all participants from our local schools!

Left to Right:

First Place Elementary Division - Amber Wetterau

Second Place Elementary Division - Nakodah Tschida

Third Place Elementary Division - MacKenzie Anderson

First Place Special Needs Junior Division - Jonathan Lein
