Fees will be calculated based on the type and quantity of the material brought for disposal. A price quote can be provided if requested in advance.

Pesticides and related agricultural chemicals may qualify for a 50% subsidy from the Wisconsin Department of Agriculture, Trade and Consumer Protection.

Please weigh all materials in their container.

Radioactive, infectious, explosive and ordnance wastes will not be accepted.

| Waste Material (name & description) | Number of containers | Container sizes | Total amount in pounds |
|---|---|---|---|
| *Example: Diazinon* | *1* | *1-gallon* | *10 pounds* |
