Cutting Requirements/Information

Harvest Area

- Cut all orange marked Oak, Basswood and Mixed Hdwd.
- Cut all ironwood and aspen within southern sale block.
- Sale is bound by blue paint line, RMZ, wetland, woods road and change in timber type.
- No felling of trees across blue line.
- Slash must be kept 20' from town road, 10' from woods road and less than 2' from the ground.
- Oak Wilt Restriction: No cutting from spring break-up thru July 15th.
- Any oak sold to private individuals must have loose bark or be bark free. This is to prevent the further spread of oak wilt throughout the area.
- No rutting allowed. Dry or frozen ground harvest.
