\*Approximately 30% of Oak volume is standing dead at time of cruise.

## Cutting Requirements/Information

### Harvest Area

- Cut all Jack Pine, Oak, Aspen and Mixed Hdwd 2" and greater.
- Utilization of downed wood is not required but is encouraged.
- Sale is bound by Turkey Track Forest Road, red and blue paint lines.
- No felling of trees across blue line.
- Any new road construction must be approved by Forest Administrator prior to development.
- Slash must be kept 10' from woods road and less than 2' from the ground.
- Any oak sold to private individuals must have loose bark or be bark free. This is to prevent the further spread of oak wilt throughout the area.
- No rutting allowed. No other seasonal restrictions.
- This is a LUMP SUM sale. At forester's discretion, sale can be broken into smaller payment blocks if needed.
