This drawing is the result of a compilation and reproduction of land records as they appear in various Polk County Offices. The drawing should be used for reference purposes only. Polk County is not responsible for any inaccuracies herein contained.

For a refreshing quick escape, traverse over a crushed limestone surface enjoying three distinctive settings. The trail meanders past an old gravel pit lined with white pine, followed by a tall red pine plantation, and ending in an open tall grass prairie, with a scattering of white pine, for easy hiking.
