

NOTICE OF COMPLETION

To: Land & Water Resources Department
100 Polk Plaza – Suite 120
Balsam Lake, WI 54810
(715) 485-8699

As operator of a nonmetallic mining site, you are required to notify Polk County Land & Water Resources Department (“LWRD”), when you determine that reclamation of any portion of the mining site or the entire site is complete, and has been carried out in accordance with the approved Reclamation Plan pursuant to subsection 3.03.a.7 of Polk County Nonmetallic Mining Reclamation Ordinance. Within 60 days of receiving this notice the LWRD will inspect the mine site, or portion thereof, that is the subject of this Notice of Completion, to determine if reclamation has been carried out in accordance with your Reclamation Plan.

I, _____, (operator name—*please print*) have determined that reclamation has been completed at the mine site Permit Number _____. The completed reclamation meets the reclamation requirements of the Reclamation Plan for this site and inspection of reclamation is requested.

Please check the box that applies to your Notice of Completion:

- Final Reclamation – Reclamation is fully complete**
- Interim Reclamation – Reclamation complete in part of the mine**

If interim reclamation has been completed in a portion of the mine site please submit a map or drawing that delineates the area of inspection requested by this notice.
