**add to Section 3 "If in the course of removing a boat from water, the temporary existence of a boat and trailer creates a safety hazard if not immediately transported along a public roadway, a person may transport without violation of this ordinance to the first suitable and safe location and there clean and remove any remaining aquatic plants or invasive animals consistent with this ordinance."**

- B. when transporting commercial aquatic plant harvesting equipment away from any water body to a suitable location for purposes of cleaning any remaining aquatic plants or animals.
