

RESOLUTION NO. 49-07

Address Correction

WHEREAS, In August of 1980, the Polk County Board of Supervisors adopted Resolution 70 contracting services to assign addresses to all the rural homes in Polk County; and,

WHEREAS, In December of 1980, the Polk County Board of Supervisors passed a second resolution, number 104, directing the Zoning Office to maintain the Polk County rural address map; and,

WHEREAS, Currently, the Land Information Department assigns the address number, places the purchase order for the rural address sign, and updates a digital address inventory; and,

WHEREAS, Through the creation of a digital address inventory, the County has discovered various incorrect addresses, which may result in a serious public safety issue as emergency responders may struggle to locate these incorrect addresses; and,

NOW, THEREFORE BE IT RESOLVED, the Polk County Board of Supervisors authorizes the use of Contingency Funds, to be administered by the Land Information Department, to begin an address correction project. *up to the amount of \$7,500*
